

# Who is Penten?

Our mission is to deliver new defence and security technologies for the future fight. We work with exclusive clients to solve the hardest cyber challenges of tomorrow and support complex transformations in the digital age. We have a rapidly growing team, led by a passionate executive team with extensive expertise in cyber security, ICT, engineering, communications, business support and Defence.

We embrace diversity and equal opportunity in a serious way. We are committed to building a team that represents a variety of backgrounds, perspectives, and skills. The more inclusive we are, the better our work will be.
